

INSTRUCTIONS TO REGISTER FOR FIRST KENTUCKY BANK MOBILE BANKING

1. Log into online banking.
2. Click on the “User Services” tab.
3. Click on the “Mobile Enrollment” link. The Mobile Enrollment page should open automatically. If it does not, you may click the “Click Here” link to be directed to the page. (Note that the Mobile Enrollment page will open in a new window, so it may be necessary for you to enable pop-ups for the page to be displayed. The help feature of your internet browser can provide you with information about enabling pop-ups.)
4. Click “Add phone.”
5. Click on the Mobile Carrier drop down list.
6. Select your cell carrier.
7. Enter your cell phone number.
8. Click on the select button next to “I accept the Terms and Conditions of Use.”
9. Click on the “Enroll” button.
10. Click the “Continue” button. Your Activation Code will be displayed to you. **You will need this number to complete the registration on your phone.**
11. Review instructions and text banking commands.

4. You will be asked if you have an Activation Code or you need one. Tap “I have one.”
5. Enter the Activation Code that was displayed to you in step #10 of the online registration process.*
6. Enter your cell phone number.
7. Tap “Submit.”
8. Tap “Next.”
9. To log in, enter your online banking Access ID and Passcode.

INSTRUCTIONS TO INSTALL AND ACTIVATE THE ANDROID APP

1. Open Google Play (formerly known as the Android Market) on your phone.
2. Search for 1st Kentucky Bank.
3. As there are several different types of Android phone, it will be necessary for you to follow the instructions on your particular phone to complete the download and install the app.
4. Once the app is installed, tap to open it.
5. You will be asked if you need an Activation Code or if you have one. Tap "I have one."
6. Enter the Activation Code that was given to you in step #10 of the online registration process.*
7. Enter your cell phone number.
8. Tap "Submit."
9. Tap "Next."
10. To log in, enter your online banking Access ID and Passcode.

* If you do not have the Activation Code given to you when you completed the online registration process or if the code you have has expired, you may obtain a new one by following these steps:

1. Log into online banking
2. Click "User Services"
3. Click "Mobile Enrollment"
4. Click "Get Activation Code" immediately to the right of your phone number under "My enrolled phones"
